## MEMORANDUM.

---

This List of the Unions and Parishes under separate Boards of Guardians in England and Wales is so arranged as to show the Poor Law Parishes\* of which each Union consists.

During recent years many alterations have been made in the areas of Parishes in consequence of the passing of the Divided Parishes and Poor Law Amendment Act, 1876, and the Acts amending that Statute; these alterations have been the result either of Orders issued by the Local Government Board or of the operation of Section 2 of the Divided Parishes and Poor Law Amendment Act, 1882, by virtue of which any part of a Parish which was isolated or detached from the other part or parts thereof, and which was wholly surrounded by another Parish, became, from and after the 25th of March, 1883, amalgamated with such other Parish. The Board are not in possession of complete information as to the alterations effected by the Act of 1882; hence changes of the former class only are shown in the List. These are indicated in foot-notes. They include alterations effected by Orders which came into operation on or before the 26th March, 1887.

The tabular portion of the List sets forth in six columns the following particulars:—

1. Name of Union or Separate Parish; and, in the case of a Union, date of formation and of any addition thereto; with the names of the Parishes included therein, arranged alphabetically under county divisions where the union is situated in more than one County, or in divisions between City and County where such exist; and the description of each place, viz., Parish, Township, Chapelry, &c.
2. Population of the Parish in 1881.
3. Its area in statute acres in 1881.
4. Its rateable value in 1881.
5. Post Town.
6. Petty Sessional Division.

(Col. 1.) As regards the names of the Parishes, it may be explained that, in consequence of the variations in this respect which are continually occurring, the Board have found it necessary in their Orders to observe some uniform rule, and in those documents they have for some time past followed the spelling of the name of a Parish as it appears in the Order declaring the Union in which it is contained. The same rule has been adopted in the present List except in cases where, as shown by notes at the head of the Union, the spelling of a name or names has been altered by Orders issued since the Declaration Order.

The descriptions of the several places correspond, as a rule, with those in the Census Report of 1871.

(Cols. 2 and 3.) As regards the population and area of the Parishes, the List follows the last Census Report. That Report refers to the Census taken on the 4th April, 1881, and consequently the figures as to area and population in the List refer to the Parishes as they then existed. It has not been found practicable to give precise information as to the changes in the area and population of Parishes effected by Orders

\* A Poor Law Parish is a place for which a separate Poor Rate is, or can be, made, or a separate Overseer is, or can be, appointed.

under the Divided Parishes Acts which have come into operation since the 4th April, 1881, but the Board have inserted in foot-notes to the List references to the Orders by which the alterations were made.

(Col. 4.) The rateable value in 1881 is taken from the Parliamentary Return which was issued in 1882, with respect to the "Valuation to the Poor Rates of each Parish" in England for the parochial year 1881-1882."

(Cols. 5 and 6.) The post towns and petty sessional divisions have been taken from the lists of Guardians and paid officers furnished to the Board by the Clerks to the Guardians.

The meanings of the abbreviations used in the List are as follows :—

*bor.* stands for Borough, or Municipal Borough.

*cha.* „ Chapelry.

*div.* „ Division.

*ham.* „ Hamlet.

*lib.* „ Liberty.

*lord.* „ Lordship.

## III.—CHANGES EFFECTED IN PAROCHIAL AREAS IN PURSUANCE OF LOCAL ACTS.

### 1. The Barking Parish Act, 1888.

From and after the 29th September 1888, the Parish of Barking, in the Romford Union, was for all lay and civil purposes divided into two separate and distinct Parishes, to be called the Parish of Barking and the Parish of Ilford. The new Parishes form part of the Romford Union.

### 2. The Lancaster Corporation Act, 1888.

On and after the 1st September 1888, the boundaries of the Borough of Lancaster were extended so as to comprise parts of the Townships of Scotforth and Skerton, and from and after the same date the Borough as extended became a separate and distinct Township, under the name of the Township of Lancaster, for all civil, lay, and parochial purposes. The effect of the Act was thus to amalgamate certain parts of the Townships of Scotforth and Skerton with the Township of Lancaster.

#### IV.—ALTERATIONS IN UNIONS BY ADDITION OR SEPARATION OF PARISHES.

- |   |   |   |
|---|---|---|
| BRIDGEND AND COWERIDGE<br>AND NEATH UNIONS. | { | 1. By Order dated 11th January 1888, the Hamlet of Higher Llangonoyd was separated from the Neath Union from and after the 27th March 1888; and by Order dated the 12th January 1888, that Hamlet was added to the Bridgend and Cowbridge Union on the 28th March 1888. |
| CHESTER UNION.                              | { | 2. By Order dated 5th March 1889, the Parish of Chester Castle otherwise Gloverstone was added to the Chester Union on the 26th March 1889. The Parish, although locally situated in the County Borough of Chester, forms part of the County of Chester.                |

#### V.—CORRECTIONS.

- AMPTHILL UNION.**—The Parish of Shillington is partly in Bedford and partly in Hertford, there being four detached parts of the Parish in the last-named County. The Union therefore extends into two Counties.
- AYLESBURY, BICESTER, and THAME UNIONS.**—The Parishes in these Unions stated in the sixth column of the Statement to be in the Petty Sessional Division of “Ashendon” or “Ashenden,” are in the Petty Sessional Division of “Brill.”
- CRICKHOWEL UNION.**—“Crickne fawr” should be “Grwyne fawr.”
- FORDINGBRIDGE UNION.**—The Parish of Whichbury is partly in Wilts and partly in Southampton.
- GREAT OUSEBURN UNION.**—Before the name of “Cattal” insert † and after the name add “tow.” In lieu of the \* before the name of “Thornville” insert †. Both these Townships were added to the Union on 21st June 1869 by Order dated 31st May 1869.
- MARKET HARBOROUGH UNION.**—At top of page 231 “County of Leicester—*continued*” should be “County of Northampton—*continued*.”
- NEWPORT PAGNELL UNION.**—The Parish of Hanslope is partly in Buckingham and partly in Northampton. The Union therefore extends into two Counties.
- NORWICH UNION.**—Hamlet of Heigham. This Hamlet was, by the Norwich Poor Act, 1863, divided into two Districts or Hamlets, to be called North Heigham and South Heigham. The Board have recently decided that each of these Hamlets is a separate Poor Law Parish, and they should accordingly be so entered in place of Heigham. The population, &c. of each Hamlet cannot be given.
- ROSS UNION.**—The Tything of Lea Bailey should, for the present, be inserted as a Parish in the Ross Union. It was supposed that all the parts of the Tything had been added to other Parishes under the Divided Parishes Acts, but two parts not dealt with under those Acts were brought to the notice of the Board in 1888. These two parts have now been dealt with by Order, which, however, will not operate until after the 25th March 1890.
- RUTHIN UNION.**—The Parish of Llanarmon is partly in Denbigh and partly in Flint. The Union therefore extends into two Counties.
- TADCASTER UNION.**—Insert the note letter (a) after the Townships of Allerton Bywater and Kippax, and add to the note at the foot of page 360 the following words, “and detached parts of Kippax were amalgamated with Allerton Bywater.”
- THAME UNION.**—The Parish of Ickford is now wholly in Buckingham. See the note (a) in regard to the Parish.
- WORKSOP UNION.**—“Wallingwells” was added to the Union on 24th March 1862, by Order dated 19th March 1862. Therefore insert \* before the name of the Parish of Wallingwells.

**Memorandum (No. 3) of Alterations affecting the Particulars contained in the Statement of Poor Law Unions, &c., 1887.—[C. 5191.]**

---

**I.—ALTERATIONS EFFECTED IN UNION AND PAROCHIAL AREAS UNDER THE DIVIDED PARISHES ACTS.**

**ROSS AND WESTBURY UNIONS.**—From and after the 25th March 1890, the two parts of which the Tything of Lea Bailey (in the Ross Union) consisted, became amalgamated with adjoining Parishes in pursuance of an Order of the Local Government Board dated 10th January 1889. One of such parts became amalgamated with the Parish of Lea (in the Ross Union), and the other with the Parish of Blaisdon (in the Westbury Union).

---

**II.—ALTERATIONS EFFECTED IN PAROCHIAL AREAS IN PURSUANCE OF AN ORDER OF A COUNTY COUNCIL, CONFIRMED BY THE LOCAL GOVERNMENT BOARD.**

**CALNE UNION.**—By an Order of the County Council of Wilts, as confirmed by “The County of Wilts (Calne, &c.) Confirmation Order, 1890,” (dated the 6th March 1890), the following alterations of parochial areas in this Union were made from and after the 25th March 1890 :—

1. The portion of the Parish of Calne within the Borough of Calne was made a separate Parish, to be called Calne Within.
2. The Parishes of Blackland, Bowood, and Calstone Willington, the part of the Parish of Bremhill south of the Calne Railway (but exclusive of the Railway), and the part of the Parish of Calne outside the Borough of Calne, were amalgamated and formed into a separate Parish, to be called Calne Without.
3. The Parish of Highway was united with and made part of the Parish of Hillmarton.

The new Parishes of Calne Within and Calne Without were included by the Order in the Calne Union, and in the Calne Petty Sessional Division.

---

**III.—ALTERATIONS EFFECTED IN PAROCHIAL AREAS IN PURSUANCE OF LOCAL ACTS.**

**NORWICH UNION.**—In pursuance of section 88 (1) of the Norwich Corporation Act (52 & 53 Vict. c. clxxxvii.), the area included within the City of Norwich (*i.e.*, the Norwich Union) from and after the 25th March 1890, became one Parish, to be called the Parish of Norwich.

**SCARBOROUGH UNION.**—In pursuance of section 9 of the Scarborough Improvement Act, 1889 (52 & 53 Vict. c. clxiv.), the Townships of Falsgrave and Scarborough from and after the 25th March 1890, ceased to be separate Civil Parishes, and the Parish of Scarborough (including the Precinct of Scarborough Castle), which consisted of the two Townships named, was made one Parish for all lay and civil purposes, and was constituted one of the Parishes forming the Scarborough Union in lieu of the said two Townships.

---

#### IV.—ALTERATIONS EFFECTED IN UNION, PAROCHIAL, AND COUNTY AREAS IN PURSUANCE OF PROVISIONAL ORDERS UNDER THE LOCAL GOVERNMENT ACT, 1888.

**ALBINGDON AND WOODSTOCK UNIONS.**—By Provisional Order dated the 30th March 1889, which was confirmed by the Local Government Board's Provisional Orders Confirmation Act, 1889, a part of the Parish of Wolvercot, in the County of Oxford and the Woodstock Union, was separated from that Parish and County, and was amalgamated with the County of Berks, and with the Parish of Wytham in the Albingdon Union. The Order came into operation on the 9th November 1889.

**BANBURY UNION.**—Parish of Warkworth with Nethercote and Grimsbury.—The Borough of Banbury Order, 1889 (dated the 1th June 1889), confirmed by the Local Government Board's Provisional Orders Confirmation (No. 15) Act, 1889, had the effect of transferring a further portion of this Parish to Oxfordshire. (*See Memorandum No. 2, Part VI.*). The Order came into operation on the 9th November 1889.

**MALTON UNION.**—The Parish of Norton (as part of the Malton Local Government District) was by operation of sections 50 and 59 of the Local Government Act, 1888, transferred to the North Riding of Yorkshire (*see Memorandum No. 2, Part VI.*) By Provisional Order dated the 29th March 1889, this Parish was taken out of the Local Government District on the 29th September 1889, and by Provisional Order dated the 30th March 1889, it was re-transferred to the East Riding of Yorkshire, and to the Buckrose Petty Sessional Division on the 29th September 1889 (*see Local Government Board's Provisional Orders Confirmation (No. 3) Act, 1889*).

**TEESDALE UNION.**—The portion of the Township of Startforth which was in the Barnard Castle Local Government District was by operation of sections 50 and 59 of the Local Government Act, 1888, transferred to the County of Durham (*see Memorandum (No. 2) Part VI.*). By Provisional Order dated the 29th March 1889, this portion of Startforth was taken out of the Local Government District on the 29th September 1889, and by Provisional Order dated the 30th March 1889, it was re-transferred to the North Riding of Yorkshire on the 29th September 1889 (*see Local Government Board's Provisional Orders Confirmation (No. 3) Act, 1889*). The Township is in the Greta Bridge Petty Sessional Division, as are all the other North Riding Parishes of the Teesdale Union, except Barforth.

---

#### V.—ALTERATION IN NAME OF PARISH.

**EAST PRESTON UNION.**—The Order declaring this Union was amended by Order of the Local Government Board dated the 4th July 1889, in pursuance of which the Parish described in the Declaration Order as "Leominster" is to be described as "Lyminster."

---

#### VI.—SEPARATION OF PARISHES FROM UNION AND FORMATION OF NEW UNION.

By an Order of the Local Government Board dated the 5th March 1890, the Parishes of Ashby cum Fenby, Aylesby, Barnoldby le Beck, Beelsby, Bradley, Briggsley, Great Coates, Great Grimsby, Habrough, Hatelife, Hawerby with Beesby, Healing, Humberston, Immingham, Irby, Laceyby, Little Coates, Seartho, Stallingborough, Waltham, and Wold Newton, and the Townships of Clee, Cleethorpe, East Ravendale, and West Ravendale, were separated from the CAISTON UNION, from and after the 15th April, 1890; and by a further Order dated the 5th March 1890, the same Parishes and Townships were, from and after the 15th April 1890, formed into a new Union, to be termed the GRIMSBY UNION.

---

#### VII.—CORRECTIONS.

**BATTLE AND RYE UNIONS.**—In addition to the Parishes and parts of Parishes stated on page 12 of Memorandum (No. 2) to be included in the County Borough of Hastings, the following areas although detached from the main part of the Borough are included in it, viz.:—

1. The portion of the Parish of Bexhill (in the Battle Union) known as the Liberty of the Shute.
2. The portion of the Parish of Icklesham (in the Rye Union) which was formerly a detached part of the Parish of Saint Leonards (in the Hastings Union) but which, together with the main portion of the Parish of Saint Thomas the Apostle, Winchelsea (in the Rye Union), became amalgamated with the Parish of Icklesham under the Divided Parishes and Poor Law Amendment Act, 1882.

The list of Unions, &c. in the Administrative County of the Eastern Division of Sussex, as shown on page 10 of Memorandum (No. 2), requires correction accordingly as regards the Battle and Rye Unions.

**DONCASTER UNION.**—In pursuance of the Redistribution of Seats Act, 1885, taken in connexion with a Provisional Order of the Local Government Board dated 20th May 1886, the Parish of Misson was included for parliamentary purposes in a Division of the County of Nottingham, and consequently under sub-sections (1) and (2) of section 50 of the Local Government Act, 1888, this Parish is included wholly in the Administrative County of Nottingham. The list of Unions, &c. in the Administrative County of the Parts of Lindsey as shown on page 8 of Memorandum (No. 2) therefore requires correction by striking out the reference to the Doncaster Union and Misson.

**HOWDEN UNION.**—The Township of Knedlington is partly in the East Riding and partly in the West Riding of Yorkshire, there being a detached part of the Township in the last-named Riding. The Union therefore extends into two Counties.

**NOTTINGHAM UNION and NOTTINGHAM COUNTY BOROUGH.**—On page 13 of Memorandum (No. 2) all the Parishes in the Nottingham Union are returned as included in the County Borough of Nottingham. There is, however, a small part of the Parish of Lenton which is not included in the Borough, namely, the part between the towing path on the north bank of the River Trent and the boundary of the Parish along the middle of the river. The Union therefore is included partly in the County of Nottingham.

**TAMWORTH UNION.**—The Parish of Drayton Bassett is partly in the County of Stafford and partly in the County of Warwick, the portion in the latter County consisting of about 3 acres, with no population.

**WOODSTOCK UNION.**—Before the name of "Asterleigh" insert †.

## VIII.—NEW ADMINISTRATIVE COUNTY.

In pursuance of the Isle of Wight (County) Order, 1889 (dated the 30th March 1889), which was confirmed by the Local Government Board's Provisional Orders Confirmation (No. 2) Act, 1889, the Isle of Wight became, on the 1st April 1890, a separate Administrative County, under the name of the Administrative County of the Isle of Wight.

The new County is coterminous with the Isle of Wight Union.

## IX.—NEW COUNTY BOROUGH.

**OXFORD.**—By the City of Oxford Order, 1889 (dated the 29th March 1889), which was confirmed by the Local Government Board's Provisional Orders Confirmation Act, 1889, the City of Oxford as extended by the Order was, on the 9th November 1889, constituted a County Borough.

The Parishes wholly or partly included in the County Borough, with the Unions in which they are comprised, are as follows:—

All the Parishes in the Oxford Incorporation.

Binsey	}	in the Abingdon Union.
North Hinksey (pt.)		
South Hinksey (pt.)		
Cowley (pt.)	}	in the Headington Union.
